

BRIDGING ITALY AND JAPAN

RESEARCH OPPORTUNITIES

The University of Milano-Bicocca in collaboration with the Japanese Society for the Promotion of Science (JSPS) of Strasbourg, are pleased to announce the annual JSPS meeting to update information about the JSPS programs for research and mobility in Japan. The aim is to create an event dedicated to PhD students and researchers for the purpose of promoting and strengthening relations between Italy and Japan, showing the opportunities and the programs of JSPS. This event also will celebrate the opening of the JSPS Alumni Italy.
